

# The *English* Project

*Learn English  
in a friendly  
environment*

Started in August 2007, *The English Project* is a language school set up to help people whose first language is not English adapt to life in West Kent.

Students are taught in small classes by three qualified teachers at levels from beginner to intermediate.

We run lessons on Tuesdays during the day and Wednesday evenings and students are also welcome to practise their English in our friendly café.

All nationalities are welcome; previous students have come from thirty countries spread all over the world. As well as teachers our team includes volunteers who are available to assist students who have questions about life in Britain or need help writing letters or filling in forms. From time to time we also organise other activities such as sports and excursions.

We try to offer lessons at the lowest cost possible. The teaching is free, but a small fee is charged to cover the cost of books and materials.

Lessons are held at the New Life Centre in Speldhurst Road, Southborough. See the back of this leaflet for a map and directions.
